givejedahand Dr #Rat #Brain Sean Hill's arrival at the #CAMH #Brain #Disease #Compound to be #Inaugural #Director of #Arttificialintelligence #Supercomputers at #Krembil #Neuroinformatics and ultimately prevent such #developments as #schizophrenia - and #schizophrenics - and me?! - is perhaps not unlike #Nosferatu's in its #unheralded and #untoward #consequences for #MentalHealth in the #streetsoftoronto and for #streetphotography. They short-changed you doing the research. They'll short-change you even more after it's done. #dailyhiveto

youdontnoam This is terrific
